Because you are applying for the privilege of practicing medicine in Nevada, you should know that our state has some of the most stringent licensing requirements and comprehensive investigation programs in the United States.

Our licensing specialists are likely to discover if data you have submitted on your application is erroneous or incomplete, or that you have omitted vital information.

Explaining and documenting a problem to your licensing specialist will be much less painful than discussing your honesty before the entire Board of Medical Examiners. This includes a sanction or disciplinary action you may have experienced during medical school or your postgraduate training, or any conflict you may have had with the legal system — even if the charge(s) has/have been expunged, lessened, or dismissed, and no matter how long ago it occurred the FBI will have your fingerprints on file. This will be discovered.

ONLY YOU — NOT A LAWYER, DOCTOR, SPOUSE, OR CREDENTIALING COMPANY — ARE RESPONSIBLE FOR READING AND ANSWERING EVERY QUESTION ACCURATELY AND COMPLETELY.

If you have *any* questions about your application, **ASK YOUR LICENSING SPECIALIST**. Our licensing specialists are here to help you.
